TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3

Frameworks: React, Node.js, Express.js

Databases: MongoDB

Developer Tools: Git, GitHub, VS Code, Vite, Figma

Cloud & Deployment: Google Cloud Platform (GCP), Nginx, PM2

Concepts: REST APIs, Authentication, JWT, CRUD Operations, Responsive Web Design

PROJECTS

What to Wear (WTWR) | GitHub | Demo | *React, Node.js, Express.js, MongoDB, JWT, Google Cloud*

- Built and deployed a production-ready full-stack weather-based clothing recommendation application using React, Node.js, Express.js, and MongoDB.
- Implemented RESTful APIs, JWT authentication, and protected routes to support secure user account management and clothing item storage.
- Deployed and maintained a production-ready full-stack application using Google Cloud, Nginx, and PM2.

News Explorer | GitHub | Demo | *React, React Router, Vite, News API, GitHub Pages*

- Built a responsive news search application that retrieves and displays articles from NewsAPI based on user search queries.
- Implemented React Router navigation, authentication workflows, and conditional rendering to improve user experience across desktop and mobile devices.
- Integrated NewsAPI and deployed the application using Vite and GitHub Pages to deliver a responsive news search experience.

Holiday Navigators (Code Jam Winner) | GitHub | Demo | *HTML, CSS, JavaScript, Figma, Git*

- Won TripleTen's December Code Jam competition as part of a 5-person team that designed and developed a travel planning web application, placing 1st out of 4 teams.
- Translated Figma mockups into responsive frontend layouts using HTML, CSS, and collaborative Git workflows.
- Contributed frontend features, testing, deployment support, and team-based software development practices.

PROFESSIONAL EXPERIENCE

Commissions Coordinator

Aug 2022 – Aug 2024

The Corcoran Group

New York, NY

- Supported commission operations for a brokerage network of more than 5,300 real estate agents, ensuring accurate processing across purchase contracts and leases.
- Managed commission adjustments, agent splits, and arrears, reducing discrepancies through improved validation workflows.
- Partnered with brokers and finance teams to resolve complex payment issues involving wires, checks, and advances.

Small Business Funding Specialist

Feb 2022 – Aug 2022

Clara Capital LLC

Syosset, NY

- Qualified and structured financing solutions for 300+ small businesses, improving client approval workflows and communication between lenders and borrowers.
- Leveraged Salesforce CRM to organize and track client data, ensuring seamless communication between lenders and clients.
- Negotiated terms and presented approvals, improving client retention and close rates.
